AMERICAN SINGLE MALT WHISKEY

Our whiskey begins as a high quality craft beer (without hops) made from 100% malted barley. It is then twice-distilled in hand-hammered copper pot stills from Scotland that were specifically designed for Copperworks.

ORIGINAL MALTSMITH FIVE MALT MASH BILL

Maltsmith is distilled from a brewer-style recipe that combines pale malt and caramelized malts, then matures in charred New American Oak casks to create our flagship American Single Malt Whiskey. Developed by our founders and known previously as our "Five Malt" recipe.

50% ABV

\$49.99 (\$62.88 w/ tax)

SINGLE ORIGIN FARMSMITH WASHINGTON BARLEY

Farmsmith celebrates the barley fields of Washington by exploring the impact of single variety, single farm, and single growing year barley in this ever-changing whiskey. While this expression will always be part of our lineup, each release will feature a different barley varietal, farm, and/or growing year.

50% ABV

\$69.99 (\$86.98 w/ tax)

MALTED PEATSMITH WITH WASHINGTON PEAT

Peatsmith explores the unique flavors that local smoke contributes to our whiskey. Crafted from barley malted with smoke from peat harvested from Washington's Olympic Peninsula, Peatsmith offers a smoky profile that is both mellow and distinct from traditional peated whiskeys.

50% ABV

\$79.99 (\$99.03 w/ tax)

HAND FILL SINGLE CASK NO. 457

This queen's run whiskey features 3 of our favorite malted barleys: Fritz Pale, Fritz Vienna, and Genie Pale, and has been maturing for over 5 years in a new American Oak Cask. **Ask us how you can fill your very own bottle straight from the cask today!**

57.9% ABV

\$125 (including tax)

GIN

Just like our whiskey, our gins are crafted from malted barley. Our gin is produced in a still designed specifically to capture top notes of flavor that would otherwise be elusive. We take our gin even further with various expressions and special cask finished releases.

Small Batch Gin

Starts from the rich, malt-based spirit of our vodka, then is distilled again with juniper and nine other botanicals. With hints of citrus and coriander, this gin has a distinct aroma and balanced flavor.

47% ABV

\$38.95 (\$49.57 w/ tax)

Cask Gin

Our Small Batch Gin is entered into a charred, new American Oak cask for about 100 days. Finishing in the cask has softened the juniper notes and brought forward notes of cinnamon and vanilla.

50% ABV

\$44.95 (\$56.80 w/ tax)

Plum Gin

Our Small Batch Gin rests with locally grown Italian Prune plums for approximately nine months. The plums give their beautiful color and flavor, plus a touch of sweetness to this gin.

33.5% ABV

\$44.95 (\$56.80 w/ tax)

SPECIAL RELEASE

Arette Tequila Cask

This whiskey was crafted from our signature Five Malt recipe and matured for 5 years, 7 months in a refilled Copperworks barrel. It was then transferred to an Arette Tequila cask where it was finished for an additional year and 9 months.

50% ABV

\$89.99 (\$111.08 w/ tax)

Kilt Lifter Whiskey

Honoring our shared roots, this whiskey was distilled from the original recipe for Pike's Brewing Kilt Lifter scotch-style ale. Matured for more than 5 years in charred, New American oak, this beer-inspired whiskey highlights the rich, malty flavors of the beer.

50% ABV

\$59.99 (74.93 w/ tax)

Craft Malt Month 2025

A single cask held back from the same lot used for our gold medal winning Farmsmith. Crafted from 100% Baronesse barley, grown by Joseph's Grainery in Colfax, WA and and matured for just under 5 years. \$10 from each bottle sold will be donated to the Craft Maltsters Guild.

62.95% ABV

\$89.99 (\$111.08 w/ tax)

Color Cask

This American Single Malt Whiskey was matured in a 200-year-old color cask: the rare and special result of a fading practice in the world of sherry production. It was matured for just under 5 years, resulting in a rich and intense sherried-whiskey, unlike any we've ever tasted.

50% ABV

\$149.99 (\$183.38 w/ tax)
